# BUDGET BILLING

Don't like surprises? Budget billing might be for you. Simply pay an average amount each month, avoiding the spikes during the hottest days of summer or the coldest of winter.

## SMOOTH OUT THE SPIKES

We'll calculate an average based on the past 11 months plus your current month's bill. You simply pay the average amount each month. Farmers EC Budget Billing program lets you sail through the seasons by avoiding usage spikes and smoothing out the highs and lows that come with the coldest days of winter and the hottest days of summer.

## MAXIMIZE YOUR BUDGET PLAN

Sign up for a FREE Home Energy Assessment to receive energy-saving recommendations from a professional energy assessor. Farmers EC also makes those energy-saving recommendations more affordable with our energy rebates.
